

Village Bible Church Disciplemaking Culture At Home & Church

Below you will find the core Truths that we seek to weave into our everyday life here at Village Bible Church. Building a common language is one of the most important ingredients in developing a culture and accomplishing vision. **We want to develop a churchwide disciplemaking culture.** I suggest that you integrate these Biblical concepts into your time around the dinner table---at the Redwine Home we call it "Table Talk" and we just seek to keep Christ-infused Truths at the forefront of our discussions. (See **Deut. 6:4-9**) An easy way to integrate these Biblical Truths into your Family discussions is to look up the corroborating Bible verses and then discuss the concepts. Print this sheet off and put it on your refrigerator for easy access and print another copy off to put in your Bible. Work slowly through the texts: Dialoguing and discussing a few verses a week is more effective than taking major chunks. Please reach out and ask any questions you may have. My email is redwine@vbcokc.org. I am grateful to be your pastor and it is a privilege to seek to lead you, your Families, and our church to keep the centrality of King Jesus prime over all by living out the Disciplemaking Life. (Also you can see our non-negotiable doctrines on our website: www.vbcokc.org/our-doctrine.)

In Christ Alone,
Pastor Ryan
